More details to come!

New Public Indoor Masking Requirements

California strongly recommends masking in indoor public places, for everyone, regardless of vaccination status.

Updated 3/1/2022. Visit solanocounty.com for the most current masking recommendations.

Cyber Security

In times of economic hardship, scammers will ramp up their tactics to feed off of the public. Stay vigilant! Keep an eye on the balances for your credit cards, checking accounts and savings accounts. Examine emails, phone calls and text messages from unknown senders.

If you are unsure of authenticity, call the company to see if the message is legitimate. And if you ever have any questions about transactions on any Befit accounts, please contact us right away!
